

## Shipwire Fulfillment for eBay

- Connect eBay, Magento, Channel Advisor, and PayPal
- Profitably participate in eBay Fast 'N Free promotions
- Save up to 35% on domestic shipping, 75% on international

### Grow Your Global Sales with eBay and Shipwire

Shipwire lets you focus on growing your brand by removing the hassles of shipping and storage. Use Shipwire to cut your shipping cost, improve your time to ship, and automate your domestic and international eBay sales.

### How It Works

Send some or all of your inventory to Shipwire warehouses.

Connect eBay, Magento, Magento Go, and PayPal to your warehouse locations.

Shipwire fulfills orders from the closest location using the lowest-priced carrier.

### Features & Benefits

Cut shipping costs while improving shipping times

Grow US and international sales

7 global warehouses

Integrations with all eBay properties

Award-winning order management and fulfillment software

Easy, transparent, pay-as-you-go pricing

### The Best Way to Ship Fast 'N Free

Offering Fast 'N Free shipping on eBay can increase your sales by up to 11%\*. Store inventory in multiple Shipwire warehouses to cut delivery costs and times. Keep your Detailed Seller Rating (DSR) high while shipping profitably:

- Locate inventory closer to your domestic and international customers
- Offer expedited shipping options for the price of ground
- Automate shipping and tracking communications to buyers

### Build Your Brand on eBay

Shipwire helps you build your brand visibility. Customizable packing lists, shipping labels, and marketing inserts communicate your brand with each shipment. Keep your customers informed from order to delivery with branded confirmation e-mails at any stage of the delivery.

## State-of-the-art Storage Facilities

With Shipwire, you'll have access to over 3 million sq. ft. of "Class A" warehouse facilities, providing capacity on demand for B2C and B2B receiving and outbound shipping. Real-time visibility to global inventory levels and hourly projects for kitting, labeling, lotting, and assembly are also available upon request.
